Mr. Malik Hagger
Name of Applicant

BUILDING PERMIT AUTHORIZING
2nd Story Addition to Detached Structure

at 863 Berkshire RD NE 17th/51
Street Address Quadrant District & Land Lot

to be used for Residential purposes

The property is zoned R-4 District

2. The Building Permit Was Denied For The Following Reasons:

Applicant seeks a variance from the zoning regulation to reduce the required eastern side yard setback from 7 feet to 2 feet for a second story addition to a garage structure.

A complete plan review was not conducted.

Applicant seeks no other variances at this time.

SUMMARY & JUSTIFICATION FOR VARIANCES

Directions: Complete responses must be provided for ALL questions. Incomplete applications will not be accepted. The space below may be utilized or responses may be submitted as a separate attachment. Specific criteria for Board approval of variances may be found on page 7. The justification must address these criteria. Please submit a typewritten or legible justification.

State whether the property described in this application is subject to a pending application or ordinance for a Rezoning or Special Use Permit. YES NO. (If yes, the variance/special exception request will be rescheduled to a hearing following the final approval by City Council & the Mayor). Please provide the relevant zoning number associated with the subject property: ___________________

Summary of proposed construction changes to buildings or site (shall not replace submittal of written criteria). (Examples: “Convert a 100’ x 200’ retail space into a restaurant.” “Install a 6-foot high opaque wooden wall (‘privacy fence’ with 6-foot high opaque wall gates.”)

CONVERT EXISTING 357 FT SLAB GARAGE 1 STORY TO 2ND STORY 268 SQ FT STORAGE/OFFICE AREA

Proposed Lot Coverage (After Construction): Calculate total amount of lot coverage on entire property, after completion of proposed construction, including existing and proposed buildings and other structures; sidewalks, driveways, parking pads, patios, gravel, etc.; everything except natural planted or undisturbed areas.

3305 covered square feet / 6885 total lot square feet = 48% proposed lot coverage

% maximum allowed lot coverage

Variance Criteria (see page 6 for detailed criteria):

1) What are the extraordinary and exceptional conditions pertaining to the particular piece of property in question (size, shape or topography)? EXISTING GARAGE OVER SIZE AND BACK SETBACK. EXISTING GARAGE IS ACCEPTABLE TO NEIGHBORHOOD AND PERMITTED IN 1990'S

2) How would the application of the Zoning Ordinance of the City of Atlanta to this particular piece of property create an unnecessary hardship? EXISTING GARAGE WAS BUILT IN 1990'S WITH CITY'S APPROVAL. GARAGE IS ACCEPTABLE TO NEIGHBORHOOD AND REMOVING GARAGE NOT POSSIBLE

3) What conditions are peculiar to this particular piece of property? SEE ACCESS TO GARAGE AREA IS NARROW OCCASIONAL BLOCKAGE IN THE 1990'S

4) Submit facts to show that relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of the Zoning Ordinance of the City of Atlanta. REVIEWED GARAGE WOULD BE COSMETICALLY MORE PLEASING TO NEIGHBORHOOD.

RE: City of Atlanta variance

To whom it may concern:

Thank you for considering my request for variance for my project. I have been an active member of the neighborhood for many years and my existing garage is acceptable to my neighbors and is typical for the area. My existing garage is 357 sq. ft. and was built in the 1990’s with permitting. My project involves adding a 268 sq. ft. second level to the existing garage for small storage and a desk. We have had the staircase to the storage area placed inside the garage for aesthetics. All trim will conform to the neighborhood appearance. My lot is 6885 sq. ft. and my lot coverage will not change from the existing 2886 sq. ft. or 48%.

Thank you for your help.
