SUMMARY & JUSTIFICATION FOR VARIANCES

Directions: Complete responses must be provided for ALL questions. Incomplete applications will not be accepted. The space below may be utilized or responses may be submitted as a separate attachment. Specific criteria for Board approval of variances may be found on page 7. The justification must address these criteria. Please submit a typewritten or legible justification.

State whether the property described in this application is subject to a pending application or ordinance for a Rezoning or Special Use Permit. YES  NO. (If yes, the variance/special exception request will be rescheduled to a hearing following the final approval by City Council & the Mayor). Please provide the relevant zoning number associated with the subject property:

Is the proposal subject to Inclusionary Zoning? YES  NO

Summary of proposed construction changes to buildings or site (shall not replace submittal of written criteria). (Examples: “Convert a 100’ x 200’ retail space into a restaurant.” “Install a 6-foot high opaque wooden wall (‘privacy fence’ with 6-foot high opaque wall gates.”)

Proposed Lot Coverage (After Construction): Calculate total amount of lot coverage on entire property, after completion of proposed construction, including existing and proposed buildings and other structures; sidewalks, driveways, parking pads, patios, gravel, etc.; everything except natural planted or undisturbed areas.

7,980 covered square feet / 49.2 total lot square feet = ______ % proposed lot coverage

_______% maximum allowed lot coverage

Variance Criteria (see page 6 for detailed criteria):

1) What are the extraordinary and exceptional conditions pertaining to the particular piece of property in question (size, shape or topography)? Retaining wall prevents the expansion of the garage in any other place.

2) How would the application of the Zoning Ordinance of the City of Atlanta to this particular piece of property create an unnecessary hardship? This project would not create any unnecessary hardship, but would only be positive for the property and all surrounding properties.

3) What conditions are peculiar to this particular piece of property? The retaining wall prevents the expansion of the proposed garage.

4) Submit facts to show that relief, if granted, would not cause substantial detriment to the public good or impair the purposes and intent of the Zoning Ordinance of the City of Atlanta. The proposed garage would not cause substantial detriment and would only be a positive outcome for the neighborhood and surrounding properties.

REQUEST FOR VARIANCE: We are requesting a variance for the expansion of the garage at 871 San Antonio Dr. The retaining wall is preventing the ability to expand, in any direction. We are also asking to reduce the rear setback line from 15 feet to 3 feet, and the side yard setback line from 7 feet to 3 feet.

Thank you for your consideration.

Kindest Regards
