Call to Order and Welcome.

Ben Nemo called the Zoom meeting to order and opened the floor to discussion topics.

Subsequent to brief discussions, administrative matters were addressed:

- Security Update / Major Ries & Captain Mitchell
 - East Morningside 6/22 vehicle shooting. Tag readers did enable us to identify the alleged perpetrators. Spoke with owner of car and conducted an interview. Told police that someone stole his car and got to his firearm that way. Unlikely to be true. Victims have not come forward. Waiting on additional technology evidence and response from technology providers. According to tag reader, has not come back into the city since 6/22
 - Protocol for incident responses:
 - No statistics on offenders being from out of town, but there does appear to be a significant number
 - Onyx Shooting Investigation – no substantive update.
 - Town hall will be 7/28 – official notification to follow
 - CLEAR program is community leaders from around town wherever clubs are a problem in town.
 - CLEAR gets strong support from City Council reps
 - At state level there are study committees, but they have to be state-wide – potential for study committees
- Zoning Applications
 - 915 Cumberland – all approve – pool addition
